- II. **Review of Minutes** no minutes
- III. **Update from Interim VP**
  - a. **SW Meeting** TD reviewed what was discussed at SW CR&D meeting including that all involved feel as if there needs to be more education on different funding at the state and federal levels.
  - b. **RAD updates** MM stated that we need more education on RAD and what the effects of this program means for HA's.
- IV. **Open Discussion** there was a lot of discussion on RAD and we all agreed we need more education and need more involvement in an HA that has been through RAD. MM sated that there is a lot more funds out there available through like MHDC and tax credit. We all agreed that we may want to ask for more breakout sessions on different funding that is available. We discussed having Naomi come into our conference and give her thoughts on the RAD program.
- V. **Meeting Adjourned** at 11:27am
